Sandy Beck
Education Director

The St. Francis Wildlife Association, Inc. is a 501(c)3 non-profit organization dedicated to the conservation of native wildlife in North Florida through rehabilitation and public education since 1978.

Every year, we rescue and rehabilitate more than 3,000 injured, orphaned, and sick wild animals — from tiny Ruby-throated Hummingbirds and flying squirrels to foxes, deer and Bald Eagles — with the goal of returning each to its habitat. We also present over 100 education programs at local schools, organizations, and events.

St. Francis Wildlife

caring for wildlife since 1978

40th Anniversary Celebration!

Because this wonderful community treasures wildlife and values our work, we are about to celebrate our 40th anniversary!

This will be one memorable and wild party! We hope you will join us and perhaps consider becoming a sponsor of this important event.

Seating is limited, so we are offering the first tickets to event sponsors, along with some attractive perks, including a beautiful 40th anniversary T-shirt with this original painting of our Red-shouldered Hawk “Rudy” and Eastern Screech Owl “Otus” donated by local artist Kristen Summers.

WHEN: Thursday evening, November 1, 2018

WHERE: Goodwood Museum and Gardens

WHAT: Begin the evening in a beautiful outdoor setting with other wildlife lovers, birds of prey, a glass of wine and the soothing sounds of the Big Bend Woodwind Quintet.

Move into the Carriage House to treat your senses to *Real Paella*, authentic paella prepared with garden fresh ingredients by one of Valencia's finest chefs; music by the incomparable Avis Berry and her band; MC Julie Montanaro; special guests of honor; and a continuous stream of images of some of the magnificent wild animals we have had the privilege of caring for the last 40 years.

Please turn the page for sponsorship levels and contact information.
